

VILLE DE / TOWN OF
Stanstead

JOB OFFER

HORTICULTURAL MAINTENANCE ATTENDANT

Seasonal part-time position | flexible schedule

The Town of Stanstead is located just 35 minutes from Magog. We are currently seeking a dynamic individual to join our team in the role of *Horticultural Maintenance Attendant*.

Description of tasks

As *Horticultural Maintenance Attendant*, you will be performing a variety of manual tasks and activities in the horticultural realm including seasonal decoration, etc. The ideal candidate will be able to drive a vehicle and move around from site to site.

Main challenges: Contribute to the Town's embellishment through horticultural maintenance and plant preservation (parks, flower beds, municipal buildings, etc.). The tasks include, but are not limited to:

- Watering plants
- Amending & conditioning soil
- Adding compost & mulch
- Weeding & hoeing
- Following landscaping plans

Position requirements

You have the right background if you: have a diploma in ornamental horticulture (all pertinent experience will be considered), have a valid class 5 drivers license and have a good knowledge and understanding of mosaic plants.

You have the profile we are looking for if you: have the ability to use simply manual tools, electric tools or gas tools and have great team spirit.

Employment type: Seasonal, part time

Positions to fill: 1

Start date: April 2023

Hours: Flexible schedule; 500 hr during the summer season from April - October

Interested individuals are invited to signal their interest and send in a CV **no later than March 31, 2023**, at noon to the following coordinates:

M. Jean-Charles Bellemare, General Manager
