MAYOR'S CORNER

Hi,

I would first like to warmly congratulate Sunnyside School on receiving the Desjardins Foundation award, recognizing the outstanding and inspiring Sunnyside Garden project. This is a great demonstration that teamwork, combined with everyone's commitment, directly contributes to perseverance and collective success.

I would also like to highlight and offer our full support to Derek Jacques, who will proudly represent Team Québec at the United World Games in Austria in June 2026. This is a great source of pride for our community, and we wish him every success.

We also want to encourage our youth who will be participating in the FIRST LEGO League (Festival of Robotics). Their dedication, creativity, and team spirit are truly inspiring—and who knows how far they will go!

I am proud to announce that the bilingual municipalities that are members of the Fédération québécoise des municipalités (FQM) have elected me to serve on its Board of Directors. It is an honour to represent bilingual communities.

In addition, you will have the pleasure of discovering this spring a new space designed for children aged 0 to 5, made possible through funding from the Association, to whom we extend our sincere gratitude.

As the snow melts, the thaw will follow—a period when the condition of certain roads may deteriorate. We encourage you to remain vigilant and to report any issues to Town Hall.

As temperatures become milder, outdoor skating rinks will no longer be maintained and will therefore be closed for the remainder of the season.

Here are a few important reminders:

- Temporary shelters (tempo shelters) are permitted until April 30, inclusive;
- The municipal tax payment dates for 2026 are as follows:
March 11, May 13, July 15, and September 16;
- The overnight parking restriction will be lifted as of April 2.

Finally, a student job posting is currently open; details are available on pages 4 and 8 of the Diligence.

A look back at the Stanstead Recreation Association's Winter Festival! Stanstead!

The winter festival was a real success, bringing together young and old in a festive and friendly atmosphere.

The Town wishes to extend its warmest thanks to all members of the Stanstead Recreation Association, as well as the volunteers whose involvement made this event such a great success.

It was a wonderful day filled with fun and shared moments.

Thank you also to all the participants for making these events possible and for contributing to the vitality of our community.
